

## **CURRICULUM VITAE**

### **1- PERSONAL DATA:**

Name : Fawzy Ahmed El- Gamal.  
Birth Date – Place : 20/02 /1954 - Menoufia.  
Nationality : Egyptian.  
Gender : Male.  
Marital Status : Married and I have three children.  
Address : Egypt, Cairo, Nasr city, 36 Omar Zahfan Street.  
Telephone No : Home 2٢٦٠٤٢٦٠  
Cell 01111021260  
01117891444  
01117892444  
E-Mail Address : fawzyelgaml603@yahoo.com

### **2- EDUCATION:**

- 1977 : Bachelor of Science, communication department.  
1982 : Master of Science, University of Al-Azhar, college of engineering, systems and computer department.  
" Digital phase locked loop Applications, Frequency synthesis ".  
1987 : Collecting data for PhD, one year in Ohio State University, college of engineering, electronics and communication department, Columbus Ohio, USA  
1994 : PhD degree, Cairo University, College of Engineering, electronics and communications department.  
"A New Approach for the Recognition of connected speech".  
2012-2019 Attendance of more than 15 workshops preparing for earning NCAAA (National Commission for Academic Accreditation and Assessment) Accreditation.  
2012-2019 Attendance of more than 10 workshops preparing for earning ABET Accreditation.

### **3- LANGUAGES:**

English: Reading, Writing: Excellent.  
Conversation: Fluent.  
French: Second language.

### **4- TEACHING EXPERIENCE:**

#### **- College of industrial Education – Bani Swif:**

**Subjects:** introduction to computers – PASCAL as HLL – Logic circuits – electric measurements – programmable logic controllers PLC.

#### **- Higher Institute for Advanced Studies:**

**Subjects:** Database Systems.

#### **- Higher Technological Institute – 10<sup>th</sup> of Ramadan City:**

**Subjects:** Electric circuits – Logic circuits – Electric measurements – Communication Theory.

#### **- Higher Institute for Engineering and Technology– Kafr El Shikh:**

**Subjects:** Electric circuits – Advanced Electronic circuits - Logic circuits – Digital signal processing - programmable logic controllers PLC – Micro controllers – Radar Theory – Communication Theory – Electronic Communication Systems.

#### **- Kingdom of Saudi Arabia, University of Tabuk, Faculty of Engineering:**

**Subjects:** Digital Design- Satellite Communication – Information Theory, Detection and Estimation- Coding - Complex Analysis & Discrete Math- Numerical Methods- Senior Design Project– Micro controllers– Measurement and Instrumentation.

### **5 – Academic Positions:**

- Supervisor of department of electronics, communications, computers, and control: Higher Institute for Engineering and Technology, Kafr El\_Shikh (for 6 years).

- Program Coordinator for NCAAA (National Commission for Academic Accreditation and Assessment) Department of Electrical Engineering, faculty of engineering, University of Tabuk.
- Program Coordinator for ABET (Accreditation Board for Engineering and Technology) Department of Electrical Engineering, faculty of engineering, University of Tabuk.

Dr. Fawzy Ahmed El- Gamal
